Foreword

The Northern N.S.W. Soccer Federation Ltd. has its headquarters in the City of Newcastle, yet the area represented by the Federation is both geographically large and diverse.

Newcastle itself, the second largest city in N.S.W., is situated at the mouth of the Hunter River and is the gateway to the fertile Hunter River Valley. Newcastle is a thriving industrial city and port whose industries, including B.H.P., Commonwealth Steel, Tubemakers and the State Dockyard, employ thousands of workers; whilst through the port itself go millions of tonnes of coal, wheat, wool and iron ore.

Lake Macquarie, with a perimeter of 175kms is one of the largest salt-water lakes in Australia. Not only is it an area of great natural beauty but it is also a famous venue for world-class yachting competitions.

Leaving Newcastle, you travel through the Hunter Valley which is noted for such famous vineyards as Tyrrell's, Ashmans, Lindemans' Ben Ean, Saxonvale and McWilliams. These vineyards attract an enormous number of visitors to the Valley. Within the Hunter Valley are such towns as Maitland, which, with their historic homes and public buildings, maintain a strong link with the early days. Further north, is the delightful New England District with such noted towns as Armidale, Tamworth, Tenterfield and Cassilis.

The North Coast, incorporating such holiday centres as Forster-Tuncurry, Hawkes Nest, Tea Gardens, Coffs Harbour and Grafton are renowned for their relaxed atmosphere, fine beaches, good fishing and their superb variety of seafood.

Around Newcastle are many towns whose names were taken from the United Kingdom, names like Stockton, Lambton, Hexham, Gateshead, Wallsend, Heaton, Jesmond, Morpeth, Maitland and Cessnock.

Yes, Newcastle and its environs are truly a great place to spend a holiday, you should visit us soon.

Editorial

1980 brings a new era to Northern Soccer with the inclusion of Tamworth City, Grafton, Armidale and Coffs Harbour into First Division soccer for the very first time. It is to be hoped that the Federation Clubs support this bold move — one which has already proven a success in Queensland. Competing against these newcomers to the competition will be Edgeworth, Weston, Adamstown, Stewarts & Lloyds, Belmont-Swansea and Wallsend.

It is only to be expected that the Northern N.S.W. Federation will have its "teething" problems during the first year, but it is certain that soccer will flourish throughout the North Coast and New England district, until Northern soccer becomes the State Soccer League of Australia.

One would expect to see the appointment early in 1980 of a full-time Manager for soccer:— a person with marketing know-how to promote the game to the greatest extent possible.

We look forward to an exciting decade for Northern N.S.W. Soccer.

THE BIRTH OF SOCCER IN NEWCASTLE

Continued from last issue:

FORMATION OF WEST WALLSEND

However, a new club was formed to the west of Wallsend and it was to be called Bluebells. Under this name it won much fame after the turn of the century.

A new executive for the Northern District British Football Association (N.D.B.F.A.) took over and worked hard to help the game and survived a difficult period. These officials were—

President: T.C. Frith (Adamstown)
Vice President: T. Greig (Adamstown)
Hon. Secretary: J. Bromley (Carrington)

The Badge Series were limited to five matches and six senior Clubs entered.

The final points table read:—

Minmi Rangers	8 points
Burwood United	7 points
Adamstown Rosebuds	5 points
Carrington Blackwatch	5 points
Wallsend Rovers	3 points
West Wallsend Athletic	2 points

The Ellis Cup or knock-out series proved the saving grace of the code. Carrington rose to great heights to eliminate Adamstown by 4 to 3. The semi-final draw was Burwood United v Minmi Rangers. Carrington Blackwatch — bye.

Burwood beat Minmi by 1 to 0, due to a goal by John Dunne.

The final between Burwood United and Carrington gave the public something new.

The press made special reference to the attractive attire of Burwood who appeared in a new kit of dark blue shirts with bright red sash and white shorts.

Carrington wore its traditional colours of red and black with black shorts.

The teams lined up as:—

Burwood United: J. Bailey, A. Dunne, A. Bower, G. Hunter, R. Wilson, H. Brien, J. Burns, J. Dunne, D. Currie, J. Kidd, J. Hutton.

Carrington Blackwatch: W. Jackson, J. McQueen, Capper, A. Jackson, Robson, Smith, Musgrave, Bromley, Todd, J. Taylor, G. Taylor.

Result: Burwood United 3 (J. Dunne, Currie, Kidd)
Carrington Blackwatch 0

Umpire: Mr A. Jackson (Hamilton)

Burwood's win revealed on vital fact. The club's new policy of promoting its outstanding junior was paying. H. Brien was only 18 years of age when he won his first cup medal. He was probably the fastest player both in tackle and recovery in the North. Winger, Jas. Burns was a progressive flankman with good ball control. Another success was Jim Hutton, a young Scot who only recently arrived from overseas. Halfback, R. Wilson was a dual sportsman, soccer and cricket. Later he moved to Queensland to become the first professional cricket player there.

G. Hunter won a special medal for the most consistent player.

The local newspaper wrote of the team, "Altogether it was a well-balanced eleven with skills in all departments plus an agile, active and vigilant goalkeeper."

UMPIRE — REFEREE LINESMEN

Of historical importance — it was during this season that umpires and line umpires became known as referee and linesman. This change of name following information from the Football Association in London.

1892 Minmi's partial fall from grace in 1891 had a smartening effect on the internal working of the club.

The coal depression saw Fitzpatrick, W. McCroarie, Kirkwood and Winning leave for Canada. The former two returned to their native Scotland. Kirkwood went to South Africa, where he was killed in a mine. Winning returned to Australia to live at Kurri Kurri, where he died of a heart attack watching a soccer game at nearby Weston Homestead. Minmi's new secretary, J. McCartney, soon signed on suitable replacements:— A. Jackson, R. Harden, R. Clarke, T. Campbell, J. Stevenson, the former Greta star, and W. Haddow. The club introduced moonlight training with good results.

The first competition match at West Wallsend is of importance. The teams were:—

West Wallsend: J. Wall, J. Swan, J. Graham, J. Robertson, T. Wilkinson, R. Harden, H. Spiers, J. Hughes, A. Gracie, R. Clarke, R. Moffit.

Adamstown: J. Neilly, W. Waugh, G. Nicholls, T. Embleton, P. Jack, P. Finlayson, D. Jennings, A. Filby, D. Dunbar, J. Waugh, J. Bartley.

The result was a two-all draw and a banquet in Johnson's Hotel with 300 guests.

A crowd of 1200 proved difficult to control as many invaded the touch lines when play rollicked from end to end.

YOUNG WALLSEND FORMED

A new club in Young Wallsend was registered with its first match players: J. McDougall, J. Hodges, Joe Harrison, W. McDougall, H. Vardy, J. Geddes, R. Martin, R. Hilton, J. Stanfield, A. Smith, W. Jones.

The Badge Series included six entrants and the home and away principle was adopted, each team playing in ten games.

Minmi Rangers had a highly successful season, only one defeat (0-2) at the hands of its near neighbours, West Wallsend — a match which set old Westy alight with sporting enthusiasm.

Points at the end of the series were:—

Minmi Rangers	18 points
Adamstown Rosebuds	12 points
Burwood United	12 points
West Wallsend Athletic	11 points
Wallsend	5 points
Young Wallsend	2 points

Minmi won the Ellis Cup with this admirable record:

P	W	L	D	GF	GA	PTS

However, the zenith of their success was the winning of the famous Gardiner Cup — symbolism of State Championship.

Secretary J. McCartney was a super-planner and it was his organising power which lifted the combination into a progressive go-ahead eleven, backed by tremendous local patronism.

Minmi was the only Northern Club to nominate — in the first round it was sent to Hartley Vale, where it suppressed the Comets by 5 to 0.

In the Semi-Final, it went to Sydney and knocked out one of the favourites, Balmain, by 3 to 1 with 2 "fair" goals disallowed.

McCartney — backed up by the local business community — took his team to Sydney and rested on Friday night, for their opponents in the Cup Final were Prymont Rangers — appearing in its fourth successive finals.

NETS USED

A crowd of over 5,000 surrounded the Burwood (Sydney) pitch. It was the first occasion that goal nets were used. Just as well, for it saved many potential arguments. In the first 20 minutes, it was a hectic tie with no score. Three spectators fainted — two from Minmi — but with the whisky bottle handy, they all recovered to see the final minutes.

In the 21st minute, Campbell cracked a volley shot into the goal from 30 yards out, it cannoned off his foot like a meteor and gave the Goalie no chance. Then right winger, Clarke, scored an audacious goal by running 50 yards with the ball at his toe. The same player scored Minmi's 3rd goal in the second half.

Even in those far off days police were called to the ground only to describe the scene "unbelievable emotional enthusiasm by miners from Newcastle on their win in the soccer cup".

However, just as an enthusiastic reception greeting the players and officials at the Minmi Railway Station, when the Hexham Express arrived on Sunday night. Church services were shortened to allow the whole population to welcome the victors. It was a day of rejoicing for isolated Minmi — never again repeated.

Even the Prymont Rangers Club admitted defeat and sent a congratulatory letter, which was later read at the presentation night conducted under President J. Whitelaws guidance, whose eloquency on this occasion could have caused a mining strike.

Let me quote an extract from the Newcastle Morning Herald of the 22nd September, 1892.

"Minmi Rangers are now regarded as the champions of the colony. No matter where they go and what teams they meet, they invariably come off victorious or it is safe to say they win 80% of their matches. They have won the famous Gardiner Cup by beating Hartley Vale, Balmain and Prymont Rangers all on away grounds.

Their success is due to skilful play, unquestionable sportsmanship, loyalty to the shirt they wear. Congratulations to the Rangers — the pride of the North."

Minmi XI in the Cup Final was:— M. Burrell, A. Jackson, J. McCroarie, J. McCartney, H. Stewart, R. Horden, R. Clarke, A. Cummock, J. Mitchell, T. Campbell, W. Haddow — and the scorers again — Clarke 2, Campbell 1.

FIRST PENALTY KICK

Season 1893

Pre-season discussion centered around the decision to adopt the penalty-rule used in England and Scotland in 1892 for the first time.

Records tell how the first penalty-kick here was awarded by referee, Tom Marshall of the Junction, in the Wallsend v Adamstown Rosebuds game at Wallsend when the locals won by 6 goals to 5. As soon as the decision was given, the crowd invaded the pitch but the referee was adamant and "Korkie" Miller converted the spot kick in the 10th minute.

Marshall was later congratulated by both clubs on the manner in which he conducted the game — "without fear or favour."

Before the season opened, devastating floods hit the Hunter River basin and there was an appeal for funds.

Minmi Rangers donated £5 — the first donation from a sporting organisation. From the Northern angle, interest centred in Minmi Rangers quest to retain the Gardiner Cup.

Minmi was the only Northern entrant. In the first round at Minmi, they gave a polished display to beat Balmain by 3 to 1.

In the Semi-Final in Sydney, Minmi knocked out the strong Helensburgh XI by 2 to 1.

All was set for the final at the Sydney Cricket Ground on the 26th August, 1893, against old rivals Prymont Rangers.

Years later, Jimmy Curran told the writer of this 1 to 0 loss. "We had 35 minutes to pull the game out of the fire. We belted everything at their goal but goalie, John Hickey, played like a lunatic. He stopped 15 shots to keep us out. I cracked a high-ball against the bar but when I collected the rebound, I was blown offside. We had no luck but full credit to the Prymont boys."

Minmi XI: Burrell, McCroarie (C), Clarke, Muir, Stewart, Harden, Curran, Mitchell, Campbell, Pillans, Caddis.

Goalie M. Burrell told the writer:—

"We really missed the play of Jackson who was an absentee. Jackson had a perfect covering system, always giving the goalkeeper great protection from the rough-house methods. He had joined Wallsend. Without boasting, my two fists often came into action when clearing high-balls or opponents who tried to bundle me into the net. McCartney too, did not play in this vital final — but good luck to Prymont."

For the Badge Series, there were 7 entries:— Adamstown Rosebuds, Burwood United, Carrington Blackwatch, Greta Bluebells, Minmi Rangers, Wallsend Rovers, West Wallsend Athletic.

Minmi won the series with an outstanding performance:—

P	W	L	D	GF	GA	PTS
12	12	0	0	42	4	24

Their centre forward, Tom Campbell, set a new goal scoring record by netting 26 goals in the season.

The Minmi Club completed the double by winning the Ellis Cup, beating Adamstown Rosebuds by 4 to 0 in the deciding match.

In September the annual representative match v Sydney was staged at Wallsend when £26 was taken at the gate.

Newcastle XI: M. Burrell (Minmi), A. Jackson, captain (Wallsend), J. Dunn (Burwood United), H. Brien (Hamilton), Hard-en (Minmi), Hunter (Burwood), Clarke (Minmi), Mitchell (Minmi), Pillans (Minmi), W. Waugh (Adamstown), J. Jackson (Hamilton). Sydney won by 1 to 0.

1894 This season was one of turmoil, despite the growth at Merewether and Dudley. There was also a regular second grade competition in operation.

The trouble centred around the dual entry from Minmi in the senior grade — Rangers and Thistles.

Rangers decided to compete in the State Cup series and in the Ellis Cup, but not in the Badge series.

There were only 4 entries in this — Minmi Thistles, Adamstown Rosebuds, Wallsend Rovers, Young Wallsend.

It was a historical year for the Adamstown Rosebuds, the membership of which now totalled 62 players, due mainly to the cessation of activities at Hamilton, Burwood and Greta.

After the completion of 6 games, Adamstown and Minmi finished equal on 9 points. In the final, Adamstown defeated Minmi Thistles by 2 to 1.

The same teams contested the Ellis Cup Final — but not without protests — and much bitterness.

The first clash at the Rugby ground ended in a 1-all draw — George scored for Adamstown, while T. Needs equalised for Minmi.

In the replay, Minmi Thistles beat Adamstown by 2 to 1. Cummock of Minmi suffered a broken leg.

REPLAY OF FINAL AFTER PROTEST

Adamstown entered a protest and points submitted were:

1. That the Jackson brothers played in Hamilton colours.
2. Adamstown was not allowed a goal scored in the first half.
3. Minmi's winning goal was off-side.
4. Referee did not allow time for Minmi's kicking out tactics.

The last three points were dismissed. However, it was decided to replay the final and the total gate would go towards a fund for Minmi player, Cummock, who suffered a broken leg in the first game.

Referees Myers and Bailey refused to officiate, so as a third official, J. Burns was appointed and accepted.

The question of the colours was made clear that Hamilton's colours were white shirt and blue sash — while Minmi's were blue shirt and white sash.

Adamstown won the reply by 3 to 1 and the gate of £25 was given to Cummock. Adamstown gave a further £10 to the appeal.

Scorers were Adamstown 3 (Bartley 1, Martin 2) beat Minmi Thistles 1 (T. Needs).

At the presentation of the trophy, over fifty Minmi supporters grouped together and drowned the voices of the speakers by chanting "PROTEST".

A pioneer of the town, "Scotty" McBlane criticised the action of the association in yielding to the demands of the Adamstown officials and giving way on such a trivial protest — colours of 2 players. "I saw the game and this did not alter or affect the play in any way", concluded McBlane. Minmi's secretary's only remark was, "give them a set of medals of putty".

1895 The Minmi Clubs remained very bitter over the treatment given to the Thistles. The Club disbanded while Minmi

Rangers absorbed all the available stars. Minmi at a large meeting decided to enter the Sydney Badge Series.

As soon as this became known, Adamstown also submitted a similar entry. This turmoil stirred the administration and a new executive was elected.

Mr R. Galloway (Merewether) was elected President and D. Williams as Secretary.

Only 4 teams entered the senior grade while a record number of 10 was accepted for the 2nd grade. A junior grade also attracted 16 teams.

A new club was formed at Broadmeadow in May and a suitable ground secured opposite the Premier Hotel.

Points in the Badge series were:

Adamstown	10 points
Wallsend	8 points
Minmi	4 points
Merewether	2 points

In the final, Adamstown beat Wallsend by 2 to 1 in closely contested thriller.

Encroachment by spectators caused a replay in the Minmi 1 v Merewether 0, but the result remained the same — winger, J. Curran being the scorer on both occasions.

Far greater interest was manifested in the Ellis Cup knockout series. Adamstown and Minmi Rangers qualified for the final.

CONFUSION

The first final produced a scoreless draw while the replay, 14 days later, did not produce finality as 1-all was the final score. The second replay proved a real thriller. At the end of the 90 minutes, the score stood at 1-all.

Referee H. Brien ordered extra time. Minmi players walked to the sidelines but the Adamstown players centred the ball and started to play. This fired the whole atmosphere with intense excitement. The Minmi players dashed on and players were soon at it in earnest.

The ball was hooked across the field till Waite of Minmi secured possession and beat goalie, Clayton with a low drive. The teams were:—

Minmi Rangers: Hancock, J. McCroarie, Shepherd, Dummock, Caddis, Davies, Needs, Curran, Stevenson, Waite, Currie.
Adamstown: Clayton, J. Waugh, W. Waugh, Lynch, Embleton, Wilson, J. Jennings, Bartley, Martin, Galloway, George.

Later in the season, two representative games were played between Newcastle and Sydney. In Sydney a 2-all draw resulted. The Northern XI comprised:—

J. Clayton, J. McCroarie, A. Jackson, H. Bryant, J. Jackson, J. Caddis, T. Needs, J. Curran, G. Miller, J. George, A. Rae.

In the return match in Newcastle, Sydney were overpowered and beaten 5 to 0.

FIRST HAT-TRICK IN REP FOOTBALL

The victorious Northern XI comprised:—

Hancock, A. Jackson, J. McCroarie, Lynch, W. Harrison, Needs, Curran, J. Harrison, J. George, A. Rae.

Curran (3) and J. Harrison (2) were the scorers — Curran's was the first hat-trick in representative football.

1896 Sport as well as business was seriously affected by the Miners strike and recession in the industry.

The executive was:—

President: Dr. W. Clarke
Vice President: W.R. Denton
Secretary: H. Brien

A special committee of inquiry was formed to inquire into the needs of the game. All members were actually outside the control of the clubs. It comprised Messrs D. Williams, T. Wilson, J. Cullen, T. Marshall, J. Cleary, Jas. Cook and J.W. Bailey

This committee produced a comprehensive report, but in many ways it was shelved.

Mr Denton donated a new trophy, the Denton Cup, which was set aside for the premierships. There were only 3 entries for this series, Adamstown, Merewether and Minmi.

Adamstown secured 8 points, Merewether 2 and Minmi 2.

Merewether beat Minmi in the semi-final but were easily beaten by Adamstown in the final 5 to 1.

Adamstown's winning eleven comprised:—

Clayton, Waugh, Harrison, Harrison, Wilson, Hamilton, Gullard, Bartley, Prideau, Martin, George.

Adamstown entered the Gardiner Cup but were knocked out by Balmain by 4 to 0. The standard of play was not high and club organisation not sound. The state of the game caused the "Newcastle Morning Herald" of the 10th May, 1896 to report:

"The British Football Association has appeared to have fallen flat. Probably due to the fact that it is played by so many miners."

FIRST CLUB FORMED ON COALFIELDS

But the real reason was the heavy exodus of star players to Western Australia where work on the goldfields was available.

Press reference noted that at Southern Cross (W.A.) a match was played in June between ex-Minmi XI and ex-Adamstown XI, which ended in a 2-all draw. Later, a new club was formed at East Greta — first club on the South Maitland coalfields.

The first match played near the local railway station ended with the scores — East Greta 4 beat Greta 0. The return match at Greta saw the locals win by 2 to 0.

This new club catered generally for local youths or sons of migrants. There were renewed efforts by enthusiasts to foster the game and brighter trade prospects were a big help.

A NEW CLUB FORMED ACROSS THE HARBOUR

A new club was formed at Stockton, where the former Adamstown player, Dinny Hamilton, was the inaugural secretary. The club's first game was at Carrington on the 24-4-1897 when the home eleven won by 2 to 0. The return match at Stockton ended in a 1-all draw, but a crowd of 500 were pleased with the efforts of the locals, who wore blue shirts with white braces.

WESTY CHANGES NAME

The Denton Cup attracted 5 senior teams and the final at the Newcastle Cricket ground drew a crowd of 1,072 to see

West Wallsend, now known as the Bluebells, beat near rivals, Wallsend Rovers by 1 to 0.

The winners introduced half-back D. Maunders, father of later international Podge and Hen Maunders.

The teams were:—

West Wallsend: Richardson, Leckie, Bowling, Maunders, Harden, Paterson, Robertson, Harrison, Dempsey, Brennan, Curran.
Wallsend: Henwood, D. Jackson, J. Miller, M. Brooks, W. Harrison, Cherry, Haddow, White, Neal, J. Harrison, Prideau.

Sole goal was scored by Dempsey in the 75th minute.

For the Ellis Cup, an entry from Sydney from the Volunteers Club was accepted. When the draw revealed that Wallsend would meet the Volunteers, the Rovers offered to play the tie in Sydney.

They gained prestige in the capital by holding the Volunteers to a 2-all draw. The replay at Wallsend drew around 2,000 but the locals lost by 3 to 1, an excellent game.

In the semi-finals, Minmi R. beat Adamstown by 2 to 1, while the Volunteers caused a major upset by knocking-out West Wallsend by 3 to 2.

The final at the Rugby Ground, drew over 2,000 fans but there were several disputed goals owing to the absence of goal nets. Volunteers won by 5 to 1.

Minmi's XI: Hancock, J. McCroarie, Shepherd, Davis, McBlane, Murdock, Cummack, Muir, Needs, Stevenson, Waite.

No Northern club entered the Gardiner Cup Series this season.

1898 The Annual meeting early in March disclosed the best financial position for years.

The Sydney administrators informed that a State team would visit Queensland in August and it was hoped to include several Newcastle players.

The Wallsend club suffered from an internal dispute with the result that Secretary J. Symes nominated Newcastle West both in the Denton and Ellis Cups.

The season saw the name of Elgey appear in the new stars.

The Denton Cup Final was won by West Wallsend against Minmi by 2 to 0.

The teams were:—

West Wallsend: Richardson, Bowling, F. Leckie, Harden, Harris, Maunders, Curran, Burrell, Brennan, Harrison, R. Leckie.

Minmi R: Hancock, McCroarie, Shepherd, Williams, McBlane, Patrick, Merrian, Davis, Muir, Sneddon, Brown.

Curran and Harrison were the scorers.

The Ellis Cup Final had a very disappointing ending as Minmi were awarded the medals in the committee room. The final between Minmi and Newcastle West was listed for the Cricket Ground on the 8th October, with kick-off at 3 p.m. The teams assembled, but two junior finals had delayed play by 1½ hours. The Newcastle West team, thinking that the senior game was postponed, left the ground. However, Minmi took the field — scored an unnecessary goal and claimed the medals.

The State Association, which was operating for the first time, staged a series of inter-district games to help State selectors.

1. Newcastle West beat South Coast by 2 to 0.
2. Sydney beat Newcastle by 3 to 1.
3. Sydney played a 1-all draw with a combined country XI (Newcastle and South Coast).

Elgey played in two of these games, but missed State selection.

Four Newcastle players — A. Bailey, A. Jackson, W. Harrison, J. Symes — all of Newcastle West, won State blues — of the 2 games played, N.S.W. won the first by 3 to 2 but Queensland won the return fixture by 3 to 1.

Three Northern clubs entered the Gardiner Cup; West Wallsend were knocked out in the first round by Balgownie by 3 to 2.

In the second round, Newcastle West beat Adamstown by 3 to 1 after a 2-all draw at their first clash.

Newcastle West entered the final by beating Balgownie by 3 to 2 in Sydney. In the final, Newcastle lost to Prymont Volunteers by 3 to 2.

The players were:—

A. Baillie, A. Jackson, S. Miller, W. Harrison, J. Symes, D. Jackson, H. Humphries, J. Harrison, A. Moore, T. Harrison.

Scorers for Newcastle West were Moore and Humphries.

1899 This proved a very uneventful season, in fact interest fell to an all-time low. For months, only 2 entries were received for the Denton Cup Series — West Wallsend and Adamstown. To get the game off the picture book, West Wallsend entered a "B" eleven.

This allowed the Badge season to proceed with 3 entries and at the end of 12 weeks the final points table read:—

West Wallsend "A"	8 points
Adamstown	3 points
West Wallsend "B"	1 point

"BROLGY ELGEY'S FINAL"

To finalise a very unhappy season, the Association decided to put both the trophies from the Denton and Ellis Cups up with medals in the one final played at Newcastle Cricket ground last in August.

The game produced a real tonic and a crowd of several thousand saw a 1 to 0 win for West Wallsend.

However, this final will always be known as "Elgey's Final" for the rugged Adamstown "Keeper" was in majestic form. He stopped two "spot" kicks as well as a dozen other stingers. It was well into the second half before the winning goal was scored by Stanhouse.

The teams were:—

West Wallsend: Burrell, Jackson, J. Durie, Harden, McMartin, Maunders, Leckie, Howie, Stanhouse, Robertson, R. Durie.
Adamstown: Elgey, Harris, F. Bartley, E. Talbot, Wilson, A. Talbot, T. Harrison, Chapman, Mastman, J. Harrison, Maxwell.

Both these teams entered the Gardiner Cup, Adamstown gave an inglorious display to go out to Prymont Volunteers to 5 to 1 — only redeeming feature was the skilful display of a local youth, "Skinner Maxwell".

West Wallsend trounced Balmain "B" by 8 to 0 with Howie claiming 5 — a record. However, in the closely fought semi-final, West Wallsend went out against Balgownie by 1 to 0.

Other junior clubs in existence were — Great Boulders, Teralba Advance, Greta Comers, Patent Rollers, Hamilton.

Hamilton won the first Junior final by beating Merewether by 2 to 0, while Hamilton won the second juniors, Merewether won the lower grade final, beating Patent Rollers by 3 to 1.

1900 Officials faced a major problem at the annual meeting — whether to grade clubs and strengthen the senior ranks or continue to allow clubs to nominate for any ranks. The junior sector was becoming top heavy.

The President (Mr Denton) and Secretary (Mr Brien) both supported the idea of freedom for the clubs — but if officials could find "them stacking to win medals" was being practised — then prompt and determined action would be taken.

Despite prolonged discussion, only West Wallsend Bluebells, Wallsend Rovers and Adamstown Rosebuds entered both the Badge and Ellis Cup series.

WESTY'S NEW GROUND

Before the season opened, Mr Jas. Robertson was elected chairman while Mr Jack Harrison was elected Secretary. West Wallsend notified of their new home ground — to a softer surface. The generosity of a local sportsman, Mr Ackroyd, allowed this to occur without any cost to the club.

The new Treasurer, Mr J. Strahan reported that last year's trophies have not been paid for. This was done immediately.

In the Badge final, Wallsend Rovers caused a sensation by beating West Wallsend by 5 to 2 on the Newcastle Cricket ground near Arnotts old biscuit factory in Union Street.

The teams were:—

Wallsend: J. Hancock, J. Miller, D. Jackson, M. Brooks, W. Harrison, J. Joblin, H. Humphries, J. Wishart, J. Harrison, Prideau, Henwood.

West Wallsend: Burrell, F. Leckie, Muir, Maunders, Harden, Teasdale, R. Leckie, Howie, Curran, Robertson, Swan.

In the semi-final of the Ellis Cup 2 weeks later, the "Blues" ran riot to avenge this cup defeat.

The game proved a thriller with Wallsend on the receiving end. In 10 minutes, the Blues lead by 4 to 0, then at half time it was 4 to 3. In the second-half, R. Leckie — a very fast winger — netted a hat-trick and Wallsend were flattened to the tune of 8 to 3 — a record for a semi-final.

To prove that this big win was no fluke, the Bluebells beat Adamstown by 5 to 1 at Wallsend. Owing to the classic display by "Brolgy" Elgey, Adamstown would have been completely annihilated.

The teams in the final were:—

West Wallsend: Burrell, Muir, F. Leckie, Harden, Teasdale, Maunders, Robertson, Curran, Howie, Swan, R. Leckie.

Adamstown: R. Elgey, F. Bartley, J. Watt, E. Talbot, H. Dempsey, R. Talbot, J. Harrison, E. Spark, J. Brown, T. Harrison, T. Tillard.

GARDINER CUP

West Wallsend proved the team of the season. No wonder the Sydney critics predicted that the Bluebells would win their first Gardiner Cup.

After its convincing 6 to 4 win over a strong Balgownie XI, it had to survive a 1-all draw in the semi-final to out Balmain by 2 to 1 in the replay — both games being played in Sydney.

1 GEORGE STREET — LAMBTON 2299

Before the coveted trophy landed in Westy — the team had to meet Prymont Volunteers twice at the University Oval. The first clash ended in a 3-all draw, but the Blues showed skill and determination to win the replay by 4 to 1. The gate was £55 — at 6d a male, ladies free. The Referee, Mr J. Ferguson (Sydney) said, "I've never seen better team-work in this fair land than that shown by the Blues, Howie, Harden, Curran and Maunders were great."

The winning team comprised:—

M. Burrell, J. Muir, F. Leckie, D. Maunders, R. Harden (capt), W. Teasdale, J. Curran, R. Howie, Swan, R. Leckie, J. Robertson.

This win produced enthusiastic scenes when the players returned by rail via Cockle Creek. When skipper Bob Harden produced the famous Gardiner Cup, the crowd roared their appreciation. Later trophies were presented at a Victory Ball.

It was evident that West Wallsend had now taken on the crown which 8 years before had been won by Minmi Rangers.

Another isolated mining centre, unknown outside the coal-fields was now well written into the sporting columns of all important papers of the State.

But West Wallsend's win, the state title, produced more than enthusiasm in the mining town, for this football fever spread like an infectious disease to all small mining centres where soccer clubs sprang up like mushrooms after a summer rain.

NEW STATE PRESIDENT ELECTED

Of special interest to the North was the election as State President of Newcastle Representative, Mr W.R. Denton, who succeeded the inaugural President, Mr T. Clyne, of Sydney.

1901 There is little to enthuse over happenings in 1901 if one were to overlook the amazing record of West Wallsend in retaining the Gardiner Cup.

There were only 6 entries for this coveted trophy — 4 from Sydney — West Wallsend (North) and Balgownie (South Coast)

In the semi-finals, West Wallsend ran riot against Prymont Rangers to win by 5 to 0. While Balgownie eased out Y.M.C.A. by 3 to 1.

Hence, the first all-country final at the University Oval on the 24th September, 1901. There was an invasion of spectators from the North and South Coast with a leading Sydney referee Mr D. Gunn, to control the clash of the "miners".

With the Sydney section supporting the "Coasters", there was great glee when winger, Andy Rae put Balgownie ahead after 12 minutes play. Westy equalised just before half-time, when a high lob by Harden was volleyed into the net at tremendous speed by Howie.

In the second half, the Blues soon secured the upper hand due to the leadership of Harden. Goals from Howie, Swan and Curran came in that order.

The winning eleven comprised:—

Palmer, Muir, F. Leckie, Harden, Teasdale, Maunders, Curran, Howie, Swan, R. Leckie, Robertson.

Most of the activity on the local scene was limited to the keen competition which developed into the second, third and fourth grades — newly adopted terms in lieu of the word "junior".

Only 3 entries were received for the senior badge games and these were abandoned.

In the Ellis Cup, West Wallsend beat Wallsend Rovers in the semi-final and qualified to meet Adamstown Rosebuds in the final.

West Wallsend with it's State Cup players available, proved too strong for Adamstown and ran out winners by 3 to 1. Reports indicate that the losers goalie, Elgey, was responsible for keeping the scores down. In the dying stages, he saved at least four "certainties". He was congratulated by his opponents for his gallant display.

Entries in the lower grades included:—

1st Junior	2nd Junior
Adamstown "A"	Broadmeadow
Adamstown "B"	Broadmeadow Federals
Charlestown	Charlestown
East Greta	Dudley
Hamilton	Great Boulders
Minmi	Hamilton
Patent Rollers	Maryland Rollers
Royals "A"	Minmi Advance
Royals "B"	Minmi Trilbys
Minmi Trilbys	Patent Rollers
West Wallsend "A"	Wallsend Blossoms
West Wallsend "B"	

Referees were: J. Mitchell, R. Elgey, J. Wishart, W. Galloway.
Officials were:—

President:	W. Myers
Treasurer:	J. Strachman
Secretary:	Jack Harrison

SCHOOL COMPETITION

1902 In the closed season there was unprecedented activity by officials in an attempt to place the game on a better footing. Great help was received from Major Mulholland of the Department of Public Instruction. It was his suggestion that a school competition be staged on Saturday mornings.

The annual meeting held at Broadmeadow early in March, 1902, was the best and biggest ever.

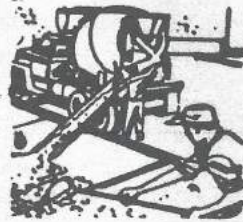

Clubs represented included: Adamstown Rosebuds, Adamstown Shamrocks, Broadmeadow, Charlestown, Dudley, East Greta, Greta, Merewether, Minmi, Stockton, Hamilton, Wallsend and West Wallsend.

After Mr D. Jackson had read a special report on — "How we must act to develop the game", it was agreed to form a special committee to grade players and to invite entries for 4 grades.

The season was one of the best ever and increased patronage reported. The 2nd and 3rd grade series took the code into smaller yet growing areas.

In the senior grade, West Wallsend and Adamstown were tops. In the final, West Wallsend defeated Adamstown by 3 to 1.

The teams were:—

West Wallsend: Palmer, F. Leckie, Muir, Harden, Teasdale, Maunders, Keegan, Parkes, Pillans, R. Leckie, Robertson.

Adamstown: Elgey, Bartley, Jackson, Watt, Jennings, Jack, R. Talbot, W. Harrison, J. George, T. Harrison, J. Harrison.

WESTY REPRESENT NEWCASTLE

For the Annual Representative match against Sydney, the Northern selectors nominated the entire West Wallsend eleven and staged the game at West Wallsend.

It was played on Coronation Day, 28th June 1902, and won by Newcastle by 4 to 2. Scorers for North were Teasdale (2), Pillans (1), and Maunders (1), while Lee and Harrison replied for Sydney, who were royally feasted after the match. Over £55 was taken at the gate. Mr Peter Finlayson was the referee, who described the match "as a wonderful exhibition of the round ball game played in a true sporting spirit." The only apparent disappointment was the loss of the Gardiner Cup final by West Wallsend, who went down to Prymont Rovers by 3 to 1.

Only West Wallsend and Adamstown entered the Cup and both beat Sydney clubs in the first round — West Wallsend 3 v Balmain 1; Adamstown 2 v Prymont Volunteers 1.

For the first time two Northern clubs were opposed in a cup semi-final. It took 200 minutes before West Wallsend won by 2 to 1 (in extra time), after a 1-all draw in their first clash. In its first season, Rhonda won the junior final by beating Wallsend Royals in the final by 3 to 2. Other new clubs were — Our Boys, Vanity Fair and Grunches.

1903 Before the Annual Meeting was held, the Newcastle Clubs received a bombshell from Sydney when the Southern Administrations decided by bare majority to limit the Gardiner Cup entries to the four leading Sydney Clubs at the end of their premiership series.

Such a high-handed action was severely criticised by Northern Officials, but the Sydney Clubs stuck to their decision.

The Newcastle new Secretary was Mr J. Harrison of Wallsend, who along with Mr J. George of Adamstown, journeyed to Sydney to seek permission for Northern Clubs to enter the Gardiner Cup, but without avail.

DISTRICT FOOTBALL

Two important innovations were introduced prior to the opening series.

1. That all teams play "District Football".
2. That senior clubs have two votes while junior clubs had one vote.

A special sub-committee drew up the town boundaries, which were:—

Wallsend & Plattsburg	Municipal boundaries
West & Young Wallsend	one area
Cardiff to Toronto	Teralba District
Catherine Hill Bay	one area
Merewether, Glebe	one area
Broadmeadow	one area
Adamstown	one area
Minmi	one area

Fees for the season were:—

Senior:	£1.15.0 per team
1st Juniors:	£1 per team
2nd Juniors:	15/- per team
3rd Juniors:	10/- per team

In a limited Badge (Premiership) series, Wallsend won the final against Adamstown by 3 to 1. The teams were:—

Wallsend: (Red & gold) A. Begbie, A. Roy (c), D. Jackson, R. Brooks, C. Kemp, W. Harrison, J. Wishart, R. Prideau, H. Andrews, J. Miller, J. Durie.

Adamstown: (Blue) R. Elgey, F. Bartley (c), J. Butterwell, J. Nix, S. Hains, J. George, F. Bush, A. Wilson, A. McNaughton, M. O'Hagan, A. Watts.

Referee — R. Harden (W. Wallsend).

In the Ellis Cup, Adamstown and Merewether Advance qualified for the final. However, due to domestic trouble, Merewether forfeited and Adamstown were awarded the Cup and Trophies. Officials for the season were:—

President:	J. McCartney
Treasurer:	R. Harden
Secretary:	A. Herd

Entries for the season were:—

Seniors	2nd Juniors	3rd Juniors
Adamstown R.	Our Boys	Dudley
Merewether	East Greta	Great Boulders

	Minmi	Rhonda Magpies

CUP NOT COMPLETED FOR IN 1904

1904 The management committee decided to accept entries from the 2nd grade clubs for the Ellis Cup. This resulted in seven entries, including the four senior clubs in Adamstown, Merewether, Wallsend and West Wallsend. The three lower clubs were Minmi, Broadmeadow and Pelaw Main — the last mentioned being the first club from the South Maitland Coalfields where six new collieries were opened for production.

Other clubs came from Kurri Kurri, Heddon Greta, Catherine Hill Bay and Teralba — all of which played in the lower grades. Back to the Ellis Cup, West Wallsend knocked out Wallsend by 3 to 2 in the first semi-final.

Pelaw Main was drawn at home to Adamstown but the latter asked twice for a postponement.

After prolonged discussion, the Ellis Cup series was abandoned and the trophy was not awarded for 1904. However, of major importance, was the staging at West Wallsend of the annual inter-city game. The North fielded a very strong and representative XI which won by 5 to 0. The gate was £50. The victorious North XI were:—

R. Elgey, F. Bartley, A. Muir, R. Harden (c), J. Maunders, W. Teasdale, R. Leckie, J. Robertson, H. Andrews, J. Wishart, J. George.

Detailed entries were:—

Senior	1st Juniors	2nd Juniors	3rd Juniors
Adamstown	Broadmeadow	Adamstown	Kurri Kurri
Merewether	Heddon Greta	Boulders	Royals
Wallsend	Kurri Kurri	Broadmeadow	Teralba
W. Wallsend	Pelaw Main	Cath. Hill Bay	W. Wallsend
	Shamrocks	Merewether	Windy Creek
	Teralba	Wallsend Royals	
		Wallsend "B"	
		West Wallsend	

Mr M. Pettigrew (Wallsend) and Mr A. Herd shared the secretarial job during this season.

In the return representative match v Sydney at Silybridge, the Southerners avenged their recent defeat to the tune of 2 to 0. The Northern XI comprised:—

A. Elliott, Muir, Bartley, Harden, Teasdale, Maunders, George, R. Leckie, Andrews, Whisehart, R. Sneddon.

Points in the Junior series were Pelaw Main 18 pts, Broadmeadow 17, Teralba 15, Windy Creek 12, Kurri Kurri 11, Rosebuds 7, Heddon Greta 7, Catherine Hill Bay 6, West Wallsend 6. In the final of the school's competition ended when West Wallsend 2 beat Boolaroo 1. (West) and Minmi beat Adamstown 2 to 1 in the city zone.

1905 The Annual Meeting held at the Australian Hotel, Broadmeadow proved a very vital meeting.

A record number of clubs were represented and much criticism was levelled at the loose manner employed in running the competitions.

This was followed by the election of a new executive.

President:	Mr E. Buxton
Secretary:	Mr R. Stevenson
Treasurer:	Mr W. Waugh

SELECTION TRIALS

The big item was the proposed tour by a New Zealand team. Newcastle requested two matches and their request was granted by the State Authorities.

The selectors agreed to stage a trial game at Merewether late in May.

The selected teams were:

"A" — Elgey, Doyle, Bartley, Jennings, Pryde, Watt, Seidencamp, R. Sneddon, Needs, Dawson, Moore; reserves Weatherburn, J. Bush, Butterwell.

"B" — Bailey, Muir, F. Leckie, Roy, Maxwell, Teasdale, George, McNaughton, Andrews, R. Leckie, Wishart; reserves Grant, Lewis, Oliver.

The game ended in a scoreless draw with McNaughton the star of the match. This name later became closely associated with Coalfields clubs and one son, Roy, won fame as an international left winger.

The following team was dispatched to Sydney for the seasons representative match at Epping.

R. Elgey, F. Bartley, J. Doyle, J. Pryde, J. Watt, A. Roy, R. Leckie, A. McNaughton, H. Andrews, J. George, W. Maxwell.

The match ended in a scoreless draw. The two clashes against New Zealand were excellent as the visitors pleased the crowd with their direct yet closed approach work.

The first game at the Rugby Ground on the 4th July, attracted 1,000 spectators and New Zealand won an exciting game by 5 to 4.

The local eleven:—

R. Elgey, F. Bartley, J. Muir, F. Jennings, J. Watts, W. Maxwell, R. Leckie, H. Andrews, J. George, A. McNaughton.

Scorers were — McNaughton (2), George (1), Leckie (1)

The return game — two days later, drew 2,344 to the Newcastle Show Ground where the visitors won a closely contested match by 1 to 0. The local XI on that occasion:—

Elgey, Muir, Doyle, Jennings, Watts, Pryde, R. Leckie, Maxwell, McNaughton, George, Wishart.

In the premiership of six clubs, the four top teams qualified for the Ellis Cup.

In the semi-finals, Adamstown Rosebuds beat Merewether by 5 to 0 while the Shamrocks caused a major upset by outing West Wallsend by 3 to 1.

The "all-Adamstown" final made an unprecedented appeal to the public as rivalry was even bitter.

The final attracted 1,500, but the Rosebuds were far too speedy, accurate and experienced, ran out winners by 7 to 3 despite the fact that the Shamrocks scored first.

In the lower grades the entries were:

1st Juniors	2nd Juniors	3rd Juniors
Catherine Hill Bay	Holmesville Stars	Holmesville Stars
Merewether "A"	Minmi R.	Merewether "A"
Minmi R.	Teralba	Minmi Rooks
Wallsend R.	Wallsend Boulders	Minmi Trilbys
West Wallsend	Wallsend Royals	Wallarah
	West Wallsend	West Wallsend

Results in the finals were:

- 1st Juniors — Minmi R. beat Merewether "A" 4 to 0
 2nd Juniors — Royals beat Boulders 5 to 4
 3rd Juniors — Merewether "A" beat West Wallsend 4 to 2

Before the season ended, due mainly to the efforts of Mr Steve Lynch of Sydney, the State Authorities decided to make the 1906 Gardiner Cup series an open tourney again and invited entries from Northern and Southern Coast Clubs.

1906 The return of Minmi Rangers to the senior ranks was a pleasing feature, but West Wallsend again did not nominate.

The Adamstown Club entered two teams — the "B" combination absorbed many of the former Shamrock players along with Merewether and Wallsend, a senior league of five teams provided ample competition.

Wallsend had a disastrous season and finished at the bottom of the table. In the first semi-final, Merewether beat Minmi Rangers by 2 to 1. Because of rivalry, the second semi-final between Adamstown "A" and Adamstown "B" was taken to Minmi. Here the "A" eleven finished in front by 3 to 1, but not until after a hectic final quarter. It was only the rugged defence of Elgey and the attacking genius of W. "Skinner" Maxwell which won the day for the "Buds".

In the final, Adamstown "A" won by 2 to 1 against near rivals, Merewether.

Adamstown and Minmi Rangers entered the Gardiner Cup along with seven Sydney teams and Woonona from the South Coast.

It was a disappointment when Adamstown and Minmi were drawn together in the first round. Adamstown won a thrilling game by 3 to 2; scoring the all-important goal in extra time.

In the second round, Adamstown went down to Balmain by 2 to 1 after a 3-all draw.

SYDNEY OFFICIAL CRITICISED

Adamstown officials, players and supporters criticised the Sydney officials for not playing the replay in Newcastle. Adamstown's complaint was given much space in the Sydney press and applauded. State officials called upon Adamstown to withdraw its charges and apologise. When this was not forthcoming, the Northern Club was informed that it would be barred from future State Cup series.

An old directory for 1906 — the first ever published in the North contained the following information of historical interest:—

FIRST OFFICIAL REFEREE'S LIST

During this season, officials showed excellent judgement in making an official list of referees used in both the senior and junior matches.

The list for 1906 was:—

H. Speers (Dudley), R. Harden (W. Wallsend), J.D. Hamilton, E. Gilpin, T. Seidencamp, G. Pollock (all of Adamstown), Wm. Evans (Wallsend), R. Dawson (Plattsburg), J. Pettigrew (Walarah), G. Myers (Hamilton), R. Stevenson (Broadmeadow), A. Needs (Minmi), R. Lewis (Charlestown)

The Executive Officials for the season were:—

President: E. Buxton
 Treasurer: J. Wilson
 Secretary: R. Stevenson

ADAMSTOWN'S ENTRY REFUSED

1907 The season 1907 proved one of the most eventful. There was sporting drama which focused much public attention and this in turn meant bigger gates. The refusal of the Sydney authorities to accept Adamstown's entry for the Gardiner Cup shocked more than the followers of the round ball code.

Association Secretary, Bob Stevenson, who was also associated with the Broadmeadow Club, suggested a "way out". This idea was accepted and the Adamstown players nominated as Broadmeadow. This entry was accepted by the State authorities.

Two Northern clubs entered the series, Broadmeadow and Weston Advance. The last entry needs explanation too. At this stage in industry, the Hetton Coal Co. complex was developing a new mine, Hebburn near Weston. Many of Adamstown's players were employees of the Hetton mine and were transferred to Weston to develop the mine-head.

Enthusiast, Mr E. Bartley entered a 5-a-side Weston team in a local charity day as the players were rejected for the carnival by Adamstown. The five were — E. Bartley, G. Campbell, J. Wardrop, A. Lynch, A. Cowley.

The day proved so successful that Bartley immediately entered Weston Advance for the state series.

The players he registered were:—

J. Freeburn, J. Gemmell, J. Kembrey, M. Ramage, G. Turnbull, W. Jarvie, J. Wardrop, J. Onglethorpe, W. Sneddon, W. Ashman, W. Dodd, W. Scott, J. Cook

The enrolment increased so rapidly that Bartley entered a 2nd and 3rd junior team in the Newcastle competition.

Back to the Gardiner Cup ties. In the first round, Broadmeadow outed Navy by 3 to 0, but Weston Advance were beaten in Sydney by Prymont by 2 to 0.

Broadmeadow travelled to Woonona in the second round to play a scoreless draw. In the replay in Newcastle, it won by 5 to 1 with Campbell, Maxwell, S. Bartley and Jennings outstanding.

The semi-final clash against Petersham was a tough task. After a 1-all draw, the "Meadows" won the replay by 3 to 1. Again in the final v Prymont a further replay was essential. In the first clash at Epping a scoreless draw was the result. The state association, to the surprise of all, ordered the replay at the Newcastle Showground. The result was 3 to 2 in Broadmeadow's favour. The scores at 90 minutes were 2-all. However, in the extra time, D. Russell scored the vital goal.

Broadmeadow's team was:—

Elgey, Campbell, Doyle, W. Harris, Maxwell, George, Clark, W. Jennings, S. Bartley, D. Russell, S. Harris.

In the replay, T. Jones replaced S. Harris who was injured in the final.

Now to the local scene. The senior grade was abandoned and an all-aged competition introduced. This planned to create pockets of intensive interest in new areas from which future soccer teams would be created.

Ten teams were entered:—

(Adamstown), (Rosebuds), (Broadmeadow Royal — Arthur), (Cessnock), (East Greta), (Pelaw Main), (Wallsend Rovers), (Wallsend Royals), (West Wallsend), (Weston).

At the end of the premiership series, Pelaw Main (leaders) and Wallsend Royals (runners-up) met in the final.

The challenge from the coalfields was too powerful. As Pelaw Main ran out winners by 4 to 2. At full-time, the scores stood at 2-all. But the "Mains" played with great spirit to clinch the medals.

In the Ellis Cup, only Broadmeadow and Weston entered. Three ties were ordered. Results were:—

1st game — Broadmeadow 3, Weston 2
2nd game — Broadmeadow 1, Weston 1
3rd game — Weston were forced to forfeit. Broadmeadow Royal Arthur was awarded the Cup and medals.

The seasons winners were:—

All aged: Pelaw Main, (red with green braces); W. "Bondi" Neil, A. Wilson, J. Hodges, J. Morrison, D. Jones, W. Jones, T. Crowley, J. Crowley, J. Davies, D. Shepherd, W. Mackay.

2nd Juniors: Rosebuds (blue); J. Danvers, C. Silley, E. Price, G. Edden, P. Bartley, J. Filby, A. Jennings, A. Adamsthwaite, N. Sheedy, H. Nix, J. Gray, J. Reynolds, J. Buxton, H. Price.

3rd Juniors: West Wallsend (royal blue); R. Mowbray, C. Lewis, T. Richmond, M. Deal, R. Skillings, T. Campbell, J. Whitelaw, W. Lewis, G. Mason, W. Carson, H. Parkes.

4th Juniors: Rosebuds (blue); J. Dunne, R. Stewart, W. Powell, R. Winwood, E. Dixon, A. Edden, N. Lee, H. Warburton, A. Jennings, T. Beddow, R. Love, H. Ryan.

Barlow School Cup: West Wallsend (royal blue); J. Leckie, C. Knudson, H. Means, W. Grills, E. Robinson, J. Armont, D. Horn, F. Williams, P. Slavin, R. Turnbull, A. McIntyre, E. Howell, N. Turnbull.

New Clubs registered during the season were:—

CLUB	COLOURS	SECRETARY
Cessnock Maintaineers	Black, green hoops	A. Patrick
Weston Advance	Red, black hoops	E. Bartley
Minmi Wanderers	All green	J. Bilbey
Charlestown Gamblers	Black, yellow hoops	J. Goddes
Minmi Rooks	White, blue band	G. Barr
Cessnock Starlights	Black, green hoops	T. Rennix

During the season the referees list was increased and included, Alec Begbie (Plattsburg), John Brown (Minmi), Geo. Johnson (Teralba), Charlie Faith (Holmesville), Jas. Honston (Stockton), Geo. Myers (Hamilton), J.D. Hamilton and Fred Jennings (Adamstown).

1908 Soccer had long since been called the "working man's game" and had many of its players and officials employed in the mining industry. In fact, it was often called by the Sydney press "The Miner's Game".

Improved working conditions in the coal industry always had a bearing on the control of the soccer game. The abolition of the night shift (Dog Watch — 11 p.m. to 7 a.m.) and the abolition of work on pay Saturdays and restricted hours in back Saturday allowed the game to become a weekly competition. Hitherto, it had been confined to pay weekends. From the Northern viewpoint the most important happening of the off-season was the overcoming of the difference between the State Association and the Adamstown Club re: Gardiner Cup entries.

With interest in the senior ranks at a low ebb, only Adamstown entered the Gardiner Cup. South Coast clubs were enjoying a prosperous period and Woonona, Corrimal and Helensburgh entered for the State title.

Adamstown had early success. After beating Woonona by 4 to 0, it journeyed to Sydney and knocked out the strong Ultimo XI by 3 to 1 and entered the semi-finals with Balmain, Glebe and Prymont.

In the semi-final, Prymont knocked out the "Buds" by 1 to 0 after a 1-all draw at the first clash — both ties being played in Sydney.

In the local competition, the senior grade attracted 3 entries from Adamstown, Merewether and Cessnock. In the Ellis Cup, Adamstown beat Cessnock by 3 to 1 in the first semi-final. Owing to the lateness of the season, Merewether forfeited the final to Adamstown. Merewether officials contended that the fixture bungling was due to Adamstown's participation in the Gardiner Cup. Adamstown were awarded the Ellis Cup on forfeit.

The 2nd grade had entries from Adamstown, Cessnock, Hamilton, Kurri Kurri, Teralba and Merewether.

The 3rd grade had 14 entries, the juvenile 11 entries while the schools had 6 entries. Winners and runners-up were:—

2nd grade: Adamstown — runners-up Teralba.
3rd grade: Minmi Wanderers — runners-up the Squashers. (Minmi)
Juveniles: Adamstown — runners-up W. Wallsend.
Schools: Adamstown — runners-up W. Wallsend.

1909 This season marked by a long and bitter coal strike over the abolition of the afternoon shift (3 p.m. to 11 p.m.).

All soccer areas were affected. To curtail unnecessary travelling, four coalfield teams competed in a separate competition for the Hemmings Cup — donated by a Cessnock businessman — the cup was unique, in it was fashioned like a soccer ball about 10 inches high. Four clubs were — Cessnock, East Greta, Kurri Kurri and Weston — at the end of two rounds the points table was:—

CLUB	P	W	L	D	GF	GA	PTS
Cessnock:	6	4	1	1	14	7	9
Weston:	6	4	1	1	10	5	9
Kurri:	6	1	2	3	6	9	5
East Greta:	6	0	5	1	4	13	1

The final between the co-leaders, Cessnock and Weston at Cessnock attracted a crowd of 1,500, who saw a close and hectic battle for the trophy. After a scoreless first half, Cessnock won by 2 to 1. Cessnock's winning team comprised:—

B. Harden, B. Leckie, C. Callaghan, R. Harden, S. Faulds, I. Freeburn, F. Wardope, J. Wardope, T. Ballard, J. Williams and J. Marshall. The gate at a silver coin produced £12.

In the Newcastle area, senior games were restricted to friendlies, gate proceeds were given to strike funds. Adamstown entered the Gardiner Cup and preparations were thorough, as the Rosebud Club were keen to win the State title.

Their first round draw against Helensburgh at Helensburgh proved a dour scoreless draw on a most difficult pitch. In the replay in Newcastle, Adamstown revealed their true worth by winning by 4 to 2. A 3 to 0 win over Sydney in the second round, gave entry to the semi-finals. In this vital tie, Adamstown beat Rozelle by 3 to 1 while Prymont knocked out Glebe by 3 to 0 and were favourites to retain the Cup.

In the final, a tense struggle ended in a scoreless draw. In the replay Adamstown proved superior and won by 3 to 1 after leading at the interval by 2 to 0. The win was a personal triumph for "Skinner" Maxwell, who netted 2 of the winning goals.

Other grade winners were:—

2nd grade: Wanderers
3rd grade: W. Wallsend
4th grade: Wallsend Royals
Schools: Minmi

The Ellis Cup proved on of the best series on record. It was opened to 1st and 2nd grade teams and attracted 12 entries. Merewether Advance, Adamstown Rosebuds, Killingworth and Broadmeadow Royal Arthur all qualified for the semi-finals.

But in the semi-finals, Merewether v Killingworth, and Adamstown v Broadmeadow ended in draws.

The surprise of the series was the young Killingworth XI — it was said that owing to the strike, the players practised 5 hours daily.

A crowd of 1,500 saw the "Kills" beaten in the replay by 1 to 0 after a hectic struggle. The deciding goal was scored in the last few seconds.

In the final, Adamstown beat Merewether by 3 to 2.

However, the 1909 season gained historical importance because of the visit of the West Australians, who played two games in the North.

Newcastle beat the visitors by 4 to 0 at the Showground on the 8th July before a crowd of 1,158. The local XI comprised ten Adamstown players plus R. Lidbury of Wallsend. The eleven comprised:—

R. Elgey, G. Campbell, J. Jones, W. Harris, W. Maxwell, D. Russell, J. George, W. Jennings, Alf Jennings, R. Lidbury, E. Price.

Scorers for the North were Alf Jennings (2), E. Price (1) and J. George (1). Harry Spiers was the referee.

On the following Tuesday, a crowd of 1,000 saw West Australia beat the Coalfields XI by 2 to 0 on the Albion Ground, Maitland. As this was the first ever combined Coalfields eleven, the names are included:—

Bondi Neal (Kurri), G. Cartwright (East Greta), R. Cartwright (East Greta), R. Harden (Cessnock), A. McNaughton (c) (Weston), W. Howe (Cessnock), G. Coulson (East Greta), F. Corrigan (Cessnock), W. Ashton (Weston), T. Wardrope (Cessnock), T. Jowett (East Greta).

The visitors travelled by the S.S. Victoria and had an official reception by the Mayor — an excursion on the river to Morpeth, inspected the Glebe Colliery and viewed the new cranes in the harbour and a vaudeville show in Kings Hall. The visitors openly declared that their stay in Newcastle was the best of the whole tour.

INTO THE SILENCE

"Old Friends"

There are no friends like old friends
 And none so good and true
 We greet them when we meet them
 As roses greet the dew.

No other friends are dearer
 Though born of kindred mould
 And while we prize the new ones
 We treasure more the old.

There are no friends like old friends
 To calm our frequent fears
 When shadows fall and deepen
 Through life's declining years,

And when our faltering footsteps
 Approach the great divide
 We'll long to meet the old friends
 Who wait on the other side.

To all the families — the members of the Soccer fraternity
 offer their deepest and most sincere sympathies.

SIR WILLIAM WADDELL — M.B.E. President Queensland Soccer Federation

It is with deep regret that we record the passing of Sir William Waddell, President of the Queensland Soccer Federation.

Bill, as he was known to all, will be sadly missed by the sporting fraternity of Queensland, and particularly Australian Soccer will be much the poorer for his passing, Bill was one of those administrators that all sports bodies cannot replace.

H. HETHERINGTON
 Editor

DAYS OF PAY WEEKEND SOCCER ARE RECALLED

One of the best known Soccer administrators in the area south of Newcastle is Bill Bromley of Dudley.

Bill was born in 1899 and has lived at Dudley all his eighty (80) years.

Bill worked for more than 40 years at Burwood Colliery, where he is regarded as an authority on the round ball game.

He is one of six (6) brothers — Bill, Arthur, Walter, Ralph, Amos and Wesley, all six played soccer for Dudley.

Bill's father was an Australian Rules player when that code was the sport in the early 1890's.

As a young boy, Bill recalls the days when Dudley Athletic played Senior Soccer in Newcastle on pay Saturdays, as most mines worked on "Back Saturdays".

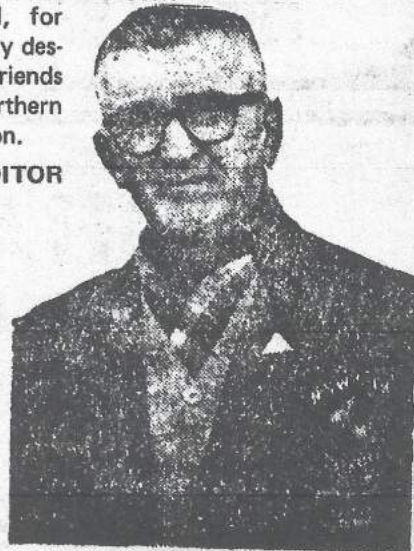

Bill Bromley, Jack Reay, Bill McDonald and Ed Corfield, established a club at Charlestown in 1952 and secured a long lease.

Bill was Treasurer of his club, and also acted as Treasurer of the Northern League back in 1942.

To mark Bill's long service to soccer, a new amenities building was constructed at Dudley Soccer Ground during the 1979 season and was officially opened by Mr Richard Face, M.L.A. and was named the "W.J. Bromley Soccer Amenities Building" in honour of Bill's long service to soccer.

Congratulations Bill, for an honour well and truly deserved from all soccer friends and particularly the Northern N.S.W. Soccer Federation.

PAST GREATS

KEVIN O'NEILL — (CESSNOCK)

Played Junior Football with the Kearsley Club. First played for Kurri Kurri at the age of 17. Kevin gained every honour from the game, playing with Cessnock.

Represented N.S.W. many times and his country against:

Jugoslavia	1949
South Africa	1950
England	1951
Hong Kong	1953
New Zealand	1954
South Africa	1955
Austrian Rapids	1955
South China	1955
Eastern Hong Kong	1957
Ferenivaros Torral	1958
New Zealand	1958
Hearts of Midlothian	1959

Kevin was a very hard working half-back, who asked no quarter and gave none, truly a great player as his record suggests, a credit to Australian soccer.

Many thanks to a fine player and gentleman.

BILL COOLAHAN — (ADAMSTOWN)

A former Australian Captain who started his football career with the West Wallsend Club. Transferred to Adamstown where he represented Australia many times.

Bill was one of the great half-back's of Australian Soccer, and served his club, Adamstown, well.

Bill once talked the English amateurs out of scoring a penalty at the Newcastle Sportsground.

Jim McNabb, the Australian goalkeeper, was actually waiting where the ball was to go.

ALEX HEANEY

Former Australian Captain, who was at home in any position. We talk today of the skills and ball juggling players.

Alex was a master of all the skills, and no finer ball player has been seen in Australian soccer, a great player, a great personality, and a credit to soccer.

Many thanks, Alex, for the past pleasures.

ALAN JOHNS — (ADAMSTOWN)

Nature's gentleman, a grand player who was equally at home on the left wing or inside left, a smashing left foot, who could not be given a single chance from 25 yards.

Alan represented Australia, N.S.W. many times.

Of slim build, great ball control, truly one of the greats of Australian soccer of the late 1940's.

Many thanks Alan, for all those great matches we all had the pleasure to see.

BILL MAHONEY — (ADAMSTOWN, WALLSEND)

One of the great goalkeepers, unassuming, safe and sure. Bill toured South Africa and represented country, state and district many times.

Bill is presently a Director of the N.N.S.W. Federation as well as manager of it's representative team.

Many thanks, Bill, for your contribution to football.

"WHAT HAS HAPPENED TO ..."

Over the years that you play or attend matches, certain players and officials become like members of your family. Then all of a sudden, there is something missing at your favourite ground.

"What is it?" Old Bill's not on the gate! "What's wrong, is he sick, or has he —?" "No, he couldn't have, you dare not think". So you make a few discreet enquiries, and then to your disappointment, but relief, you are told that your friend has grown tired and decided that it's time he started taking the wife out, or going for a drive, so occasionally you will see Old Bill and the "Missus" sitting by themselves, all alone in a quiet corner of the ground.

DAVE BONE — the former West Wallsend goalkeeper of the 1950's, has followed everyone else who leaves football, by taking up bowls. Dave thinks that the late Yobby Robinson was the best fullback he played with or against.

BILL PADDOCK — the former Cardiff and Wallsend player. Bill now 49, spends his weekend "not kicking", but rolling the ball or should I say, bowl, up and down the bowling greens.

DICKIE KEMP — that diminutive Wallsend winger of the late 1940's is now once again back in the Hotel business, being Mine Host of the "Prince of Wales", Muswellbrook. Remember **BIG BILL NEAL** of Mayfield United from the 1950's? Bill, now slightly overweight, is living at Jesmond. Bill was one of those colourful personalities.

SCOTCHIE HOPKINS — the former Cardiff half-back of the 1950's is another of the brigade who is now playing bowls with the Burwood Club. Scotchie has not changed since his playing days, still has that ready smile.

NEIL HENDERSON — the former colourful defender with Cessnock back in the 1950's. Neil, a swash-buckling personality, now spends his weekends as a volunteer on the Coast Patrol, which operates each weekend out of Swansea.

Best luck to all local teams in 1980 season

WESTON THE TEAM OF THE 70'S

When soccer fans cast their eyes back to the 1970's, one thing will stand out, and that is Weston Bears Soccer Club was the most successful Club of the last decade.

Of the ten (10) Grand Finals played during the 1970's, Weston has appeared in eight (8) of them, claiming five (5) victories, a great performance and a record that is befitting a Grand Club.

Weston over the years have produced many fine players, and fine teams, arguments still rage as to which team was the greatest, was this one of them.

PHOTO 1936

Weston State League Soccer Club — Premiers and State Cup Winners 1936.

The famous Geordies, formed in 1910, they are a household name wherever soccer is played.

This Club has produced players and administrators that are by-words in Australian Soccer.

Tommy Oliver, Jimmy McNabb, Skeeta Wilkinson, Bill Tromans, Bill Beaney, Jack Avis, John Beatty, are but a few.

A couple of the great sayings of the Club in the years gone by were:—

"Shoot, Mon, shoot — can't yer see the Goal Poost?"

"Kick the bottoms and the tops e'll come."

After the match you can be assured of a grand welcome at the Weston Worker's Club, so do be prepared to stay for a few hours.

SKIPPER ORDERS REFEREE OFF

No doubt, you would have witnessed at some time, a referee sending a player from the field for a misdemeanour.

But have you ever seen a player send a referee off?

Well! It did happen, almost like that in an official match, way back in 1942.

Arlington Oval, at Dulwich Hill in Sydney, the home ground of the once famous Metters Club, was the venue for the home side's clash with Adamstown Rosebuds in one of their annual Everson Cup challenge matches.

The referee, who shall remain nameless, and the

Rosebuds' skipper, a former national team captain, exchanged heated words following the referee's awarding of a first-half penalty kick to Metters. The outcome was that the player was ordered off.

But the incensed ex-international refused to budge, and countered with something like: "You're the worst . . . referee I've ever seen. You couldn't referee a dog fight. Why don't you go off yourself?"

And, believe it or not, he did!

He stormed from the field, and the game eventually resumed, with the Rosebuds' team intact and the senior linesman taking over in the centre.

HAMILTON REDSTARS

-2nd DIVISION CHAMPIONS 1979-

In the 1979 2nd Division competition, Red Star's 1st Grade side won the competition by 11 clear points, winning 18 games, drawing 3 and losing only 1. The 2nd grade side came second on the points table, while the 3rd grade side won the premiership by 5 clear points. Spectator-wise, the club has shown, that without any doubt, it is the best supported club in the Northern Soccer Federation, most of it's support coming from the Macedonian community of Newcastle. The club Committee now consists of 15 strong-minded and very keen soccer enthusiasts, all with the club's future in mind. Red Star is looking forward to 1st Division in 1980, and if the club's past is any indication, it's initial season in 1st Division should be a successful one.

At the end of the 1974 soccer season, a meeting was held in the Macedonian Church Hall (School St., Broadmeadow). An idea which had been a major point of discussion during 1974 among Macedonian Yugoslavs became a reality. Hamilton Red Star Soccer Club was formed at that meeting, with Bob Lozanovski being elected President and Doug Pichaloff, Secretary.

At this time, the Northern Soccer Federation's 3rd Division had not yet been introduced, so an application to join the Hunter Valley Soccer Association for the 1975 soccer season was quickly drawn up. Soon after the application was accepted, the Northern Federation formed 3rd Division. Rather than make a new application, it was decided to stick to the original one and spend the initial year in the Hunter Valley Soccer Association.

The coach for Red Star's 1st season (1975) was Chris Mangovski. Red Star won it's first game with a big score (against Garden Suburb). The club's first and second grade sides, however, just missed out on the semi-finals. The 3rd grade side were beaten 1-0 in a Grand Final replay, against Barnsley.

For the 1976 season, Red Star decided to progress, by joining the newly formed fourth division in the Northern Soccer Federation. Red Star were very fortunate that year, in securing the transfer of Boris Bendevski from Highfields Azzurri Soccer Club. Bendevski became player-coach. At the end of that season, Red Star's 1st Grade side finished 2nd on the points table behind Gosford Rangers. 2nd Grade were minor and major premiers. 3rd Grade were minor and major premiers.

Boris Bendevski remained coach for the 1977 season. The 1st grade side once again came second on the points table behind Gosford Rangers and thus won promotion to second Division. 2nd Grade were minor premiers and so were 3rd grade. 3rd Grade had the added pleasure of playing in the Grand Final, only to be beaten by Kurri Kurri.

1978 saw Hamilton Red Star in 2nd Division for the first time, with Boris Bendevski still player-coach. This, without a doubt, was a "settling down" year for Red Star. The only aim for 1978 was to remain in 2nd Division for 1979. The 1st Grade nevertheless got to the semi-finals, only to see a 1-0 lead turn into a 1-2 loss inflicted by Lambton Jaffas. The two

lower grades being in the top 4 for most of the year ended up in 5th position, as a result of the last 2 games.

1979, Red Star's second season in 2nd Division. The settling down period was over. An all out bid was to be made to gain promotion to 1st Division for the 1980 season. The 1st Grade side definitely needed a boost, so out came the cheque book. Three (3) name players were bought, Adam Durkot from Wallsend Soccer Club became player-coach. The other two were, Chris Kulupack and Slav Catalovski from Austral United. Red Star has won promotion to 1st Division for the 1980 season, thus fulfilling the wishes of it's supporters and there is no doubting that they will be a force to contend with in the 1980 1st Division Competition.

Much thanks must go to Adam Durkot, the players, the Red Star Executives and the supporters, for their efforts in making 1979 a highlight in the club's short but successful history.

KEARSLEY UNITED

Kearsley United is a long established Northern Coalfields Club that has certainly had its ups and downs.

Many topline players saw service with Kearsley, including, in their younger days, Kevin O'Neill, Bill Rorke and, of course, the Great Norman Conquest, who through the depression of the early thirties, sent Norman to Sydney where he played for Goodyear and Leichhardt-Annandale and Australia.

In the early days, the club drew it's players mainly from the tough-as-teak miners, who worked the Abermain No. 2 Colliery. The club participated in the Old South Maitland Competition, winning the famed Stevenson Cup.

Kearsley proved a major obstacle for the illustrious Weston combination under Max "Wakka" Hamilton in it's quest for promotion to first division.

Stalwart Weston followers would no doubt remember the power of Kearsley players of that era such as stopper, Dick Darcy and Centre forward, Dai Powell.

This club is indeed fortunate to have an industrious committee and diligent executive in Bob Mellon, President, Bill Fairfull, Secretary and Darryl Gunther, Treasurer, backed by coaches, Ron Dow and Ron Morris.

If Cessnock City Council's plans reach fruition, Jeffery Park in 1980 will be a show piece.

Jeffery Park, or as it is affectionately known in Kearsley, as "The Graveyard", by most opposition clubs for some "obscure" reason.

A new amenities block is to be erected also by the Cessnock City Council.

Congratulations to you all at Kearsley.

WARNER'S BAY SOCCER CLUB

The history of Warners Bay Senior Soccer goes back to 1959-60. An all-age team was involved in a competition but as there are no records the duration of their involvement is not mentioned. This team, however, was disbanded until a few years later. In 1965, with permission from Warners Bay Sports

Club, a team was entered in the Macquarie All-Age Competition.

In 1966 or 67 the Hunter Valley Soccer Association was formed, the President being, Steve Stevenson. Warners Bay were involved in this competition until the Hunter Valley was disbanded in 1976. During this period the Bay won a third grade Grand Final in 1967. The 1st Grade won the Association Cup a few years later beating Swansea Worker's, and the Reserve Grade were Minor Premiers in 1971 and again in 1972. They also won a Grand Final in 1974 beating Cardiff Workers.

The Hunter Valley Competition was very strong, the Bay having mixed fortune playing against teams like Dudley, Stewo's, Swansea, Doyalson and Hamilton Red Star. During this period there emerged a Warners Bay Soccer and Sports Club stalwart Kevin "Snow" White, who has done such a lot of active work for both the soccer section and the club in general. Snow filled a number of Executive positions, he also took over as President of the Hunter Valley in the year before it was disbanded. "Snow" then turned his talents to form the Macquarie Women's Soccer Association and Warners Bay lost a good club man.

In 1977, the Bay joined the Northern Soccer Federation to

qualify for a berth in the 4th Division. 1978 was a bad year, they finished the season by getting relegated. However, they attacked 1979 brimful of confidence and with the help of the Bay's player-coach, Bruce Hopley, they gained promotion. Bruce had his critics, but he pursued his policy of merging his younger players with older players like Al Cooney, former W.A. Rep.; Allan Parkinson and Ron Blundell, who had a terrific year, incidentally Ron is the only player in the present team who kicked off with the team in 1965, a great club man. Bruce started to train his players early and he trained them hard, but it paid off.

The future of Warners Bay is in the dedication of it's volunteer officials. The hard work put in by Bob Lewis, Bob & Richie Stegh, Ron Blundell and Ian Cuthbert, made 1979 a good year, but 1980 will see the Bay fielding three teams and that will involve more active willing worker's especially from it's younger members.

To conclude with, the Senior Soccer section, must thank the Executive of the Sports Club for the co-operation shown during the season, also the help given in previous years by Maisie Pollard and Irene Gilroy in running the canteen.

CARDIFF SOCCER CLUB

One of the grand old names in Northern Soccer since it's formation in 1910.

Cardiff have seen many changes in it's club, and in recent years through the efforts of stalwart club administrators like Jack Evans, Warren Fawkes, Geo Smith and the Hobsons, and many more, the club now has a fine licensed club, and an excellent football ground.

Under the guidance of President, Gordon Sessius and his committee and football Secretary, Jim Brynes and Club Administrator, Dave Roskell, the Cardiff Club can look forward to even greater heights.

The licensed club is now a sound financial footing after overcoming teething problems in it's formative years.

On the football aspect, the club once again, conducted it's summer six-a-side competition which was a huge success.

The new amenities building will be ready for the commencement of the 1980 season, and with hard-working people like Val Neave and his father Jack, and Wolf Mistlebauer, Cardiff Club have a lot to be thankful for.

The Cardiff Club are hopeful that it's playing surface will be flood-lit for the 1980 season.

For the 1980 season, the club secured the services of Willie Gallagher as it's coach, and no doubt the name of Willie Gallagher will attract many young players to the Cardiff Club, Willie having the knack of bringing the very best out of players, these players will stand alongside past players like Bunty Merriion, Bill Paddock, Scotchie Hopkins, Bob Westbury and, of course, Ronnie Giles.

Congratulations to Cardiff.

GRAND FINAL DAY

Grand Final day, 1979, and the Cup belongs to Azzurri!

Members of the Highfields Azzurri squad raise the trophy in a salute to their supporters after the memorable defeat of Weston Bears at the Newcastle International Sports Centre last September.

But, after the loss of coach Willie Gallagher to Cardiff and the departure of Carl Lochrin, Neville Power and David Butler, can Azzurri retain the trophy in 1980?

Players in the photograph, from left to right, are:—

Victor Hogan, Dale Rowney, Warwick Alexander, John Adamthwaite, Peter Fairleigh, Neville Power and Steve Wallace.

1984 CENTENARY CELEBRATIONS

The Northern N.S.W. Soccer Federation has plans well in hand for it's Centennary in September, 1984.

Invitations have been sent to Newcastle United (England) to tour, but no doubt the invitation to play in Newcastle would have to coincide with the English closed season.

Applications have been made to the Post Master General for a special Centennary issue of stamps.

The complete history of Northern N.S.W. Soccer will be published.

Meet your planning Committee which also will include all Directors.

JACK RYAN — for many years President of the Adamstown Rosebuds, and one of the real personalities of Northern Soccer. Jack's ready smile and friendliness endears him to all.

BOB ENGLISH — for many years Secretary of the Northern Soccer Federation. Bob is now the driving force behind Austral United. Austral United now boast a licensed Club.

BILL TURNER — well-known for his promotional work of the Tasman Cup. Bill's organising ability leaves nothing to be desired.

"LOYALTY OF MAITLAND'S STEVE GRIFFITHS"

Most soccer administrators have nightmares when their Star Players are reaching the end of their contracts and officials of the wealthier clubs are lurking in the background ready to make lucrative offers to lure them into signing on.

Most players succumb to the generous financial inducements, but many players who have an inbuilt rare commodity called "Club loyalty", resist the offers and stay with their clubs.

One such player who has this enthusiastic devotion to his Club's cause, is Steve Griffiths, the Maitland goalkeeper. He has resisted many offers to go to other clubs during his long career with the "Magpies".

Steve began his playing career with Maitland on Anzac Day 1965 and he is now approaching his 300th game with the club.

Starting as a 15-year old schoolboy, he made his first grade debut in July 1965, displacing one of the North's top goalkeepers — Forbes Wood. Since then, he has earned the plaudits of many of soccer's top judges by his fine displays "between the sticks".

In fact, many good judges declared him the No. 1 goalkeeper in the North during the 1969-71 period.

Despite the rave notices that were put on him, Steve never lost his level-headedness, nor did his loyalties waver. He still found time to pass his knowledge and experiences on to youngsters eager to break into the game.

Maitland have had many long-service players in the past, but it is extremely doubtful if there will be another to equal "Griffo".

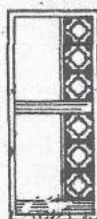

Although he is approaching the twilight of a long and distinguished career, "Griffo" will not give up the premier custodians job for Maitland without a fight and whoever takes over from him will have to be good.

The cry of "good on yer Griffo", could be heard for many more seasons yet and the game will be the better for it, because if there were more players around with the same loyalty as Steve Griffiths, club officials would be much happier and the game would be so much better.

Best Wishes to all Teams —
